

ANNUAL REPORT 2017–18

SWAMI VIVEKANANDA MISSION CENTRAL SCHOOL

Swami Vivekananda Mission Central School is a senior secondary school which is affiliated to CBSE and is being run under the aegis of Swami Vivekananda Mission Trust. The beginning of the school was as a secondary one and later in 2004 it is upgraded to senior secondary level.

The Annual Report not only shows the achievement and glories of our school undoubtedly, but also make us think about our shortcomings. We have always been committed to create an environment in the school which help the young minds to blossom and provide a platform for their individual thinking and holistic development of one's personality.

Each year SVM holds the annual prize distribution ceremony to honor those of its students who have made the school proud with their brilliant efforts not only in the academic field but also in the co-curricular areas.

I wish to begin the report with academics. Excellence in academics is the hall mark of any good institution and as usual class X and class XII students had made us proud with their results. In class 10th the result was centum with 68% distinction and the remaining first class. Master Thejas, Kum.Jyothika, Master.Devadathan and Kum.Shahina have secured A1 in all the five subjects with a CGPA of 10.

The class XII students also came out with flying colours. We got centum result in 12th also. Kum.Arunima had secured 95% in all the five subjects and became the school topper.

Sports & Arts.

In order to encourage the student's co-scholastic talents the school is grouped in to 4 houses and as usual various sports and arts competitions were conducted and the prizes were distributed to the winners. In addition to that our students also participated in Sahodaya sports and arts competitions. Kum. Noufia Hussain of class VIII has secured 1st prize in Mappilapattu Category II and got selection in the CBSE State Kalotsav.

In connection with Reader's week celebration various literary competitions were conducted and the winners were prized on the closing ceremony held on 22nd October by Sri.Karippoor G V Nair sir.

As usual this year also we have celebrated various National festivals like Independence Day, World Environmental Day and Children's Day. On November 14th we have conducted a Children's Day rally from the school ground to Nemom

Junction and back. The rally was led by the children's Prime Minister Master Neeraj N R.

National Science Olympiad, PCM Scholarship and ACE Scholarship examinations were conducted this year also.

Nature club English Club and School Radio are going on well.

Cyber Safety club

With an intention to support and encourage school children to develop some of the key skills they would need to combat the threats in the growing cyber security world and also help to defend the nation's wealth from cyber frauds, we have also framed a cyber safety club in association with the city police cyber division and domain experts. As part of that a half day work shop is given to the selected 20 students.

SPG

In order to ensure safety of children school protection group is formed in co operation with Police Department, PTA and local self government and the meeting is conducted.

The main reason behind the success of our school is the tireless efforts and co operation of my colleagues. On this occasion I duly appreciate their hard work.

We have a strong PTA with the leadership of Sri.M.Nazir. PTA regularly evaluates the progress in every month and give us a positive support in sustaining the quality of education. Their constructive criticism and valuable feedback have always been helpful and appreciable. PTA has also given financial help to seven students for their studies. We extend our special thanks to the president and the executive members for their valuable support.

This year also we are expecting centum result both in 10th and 12th standard. For that we have already started unit wise series examinations. I hope that this will help my students to enrich their confidence to face their board examination. I wish them all the success.

Many mile stones have been achieved and many still have to be reached. We all SVM will continue our unceasing effort to mould the young minds in well balanced personalities with confidence.
